City of Dallas
OFFICE MEMORANDUM

To: Captain J. C. Nichols
Subject: Prisoner Oswald

Today Sunday Nov. 24, 1963
I was on duty in the Auto
Theft Bureau beginning at 8 AM.
I was told to stand by in the
office until further notice. At
approximately 11:45 AM all members
of our Bureau on duty, except the
Desk Man went to the basement
of the City Hall and waited in the
corridor just outside the jail
booking office. About fifteen
minutes later the prisoner was
brought down to the jail office
and we heard he was being
brought through the office. At
this time I closed the double
doors and held them, not
allowing anyone through these
doors as he was escorted out
the door of the booking office.

I could see the prisoner for a few seconds through the doors glass partition. At this time I heard a shot, but could not see the prisoner or the person who fired the shot. The photographers in the corridor behind me had to make their pictures through the glass. Then the prisoner was taken back into the booking office until the ambulance arrived and he was placed in it with officers escorting him. I did not see the man who fired the shot because he was hustled out of sight into the jail office and elevator. I did not see the man before or after the shot was fired, but heard the name Jack Rubin called out as the man who shot the prisoner.
